## HISTORY OF THE HOSPITAL.

The Hospital was first established under the name of the "Herefordshire and South Wales Eye and Ear Institution," in July, 1882, by the late Honorary Surgeon, Mr. F. W. Lindsay, and was then supported by a few private subscribers.

The need of such an Institution was fully demonstrated by the calls made upon it, and in October, 1883, the then Mayor (M. J. G. Scobie, Esq.) convened a Public Meeting at the Guildhall, with the object of placing the Institution upon a permanent basis, so that it might be recognised as a Public Institution and supported accordingly.

At this meeting (which was an influential and representative one) resolutions were unanimously passed in accordance with the above object, and a Committee appointed to carry it out. The support received by the Committee enabled them to open the Institution on the 1st January, 1884, as a Public Institution.

The premises, which were situate in Commercial Road, immediately in front of the Baptist Chapel, were soon found to be totally inadequate and unsuitable, and it was determined to build a new Hospital with greater accommodation. Advantage was taken of the Jubilee Year to raise funds for this purpose, and in the following year the Committee were enabled to commence the erection of the new building, the foundation stone of which was laid by the Countess of Chesterfield on the 6th day of December, 1888, when a letter was received by the President, the Ven. the Hon. Archdeacon Stanhope, giving Her Majesty's gracious permission to name it the "Victoria" Eye and Ear Hospital.

The Hospital was formally opened by Lady Bailey on the 20th August, 1889.

The first President of the Hospital was the late Earl of Chesterfield, who took a very lively interest in its welfare, and on his death, his brother, the Ven. the Hon. Archdeacon Stanhope, succeeded him, and he worked hard in the interests of the Hospital. He died in 1919, and Colonel M. J. G. Scobie, C.B., was elected in his place. He voluntarily retired in 1924, and then Lord Somers, K.C.M.G., D.S.O., M.C., was elected President.

The Architect of the New Building was Mr. E. H. Lingen Barker, of Hereford, and the Contractors were Messrs. Stevens and Bastow, of Bristol, who employed local labour in the building.

The site was in the first instance acquired by Mr. John Mackay who, for the purpose of securing it for the Hospital, bought it and the adjoining property on the west from Mr. William Mason, and at that time sold to the Hospital sufficient for the site at a proportionate price. The remainder of Mr. Mason's property was in 1896 bought by the Hospital from Mr. Mackay at the proportionate price originally given for it by him.

The cost of the site (exclusive of land bought afterwards) New Building and Furnishing was about £3,400, the whole of which sum has been raised, and there is now no debt upon the Hospital.

The Hospital was incorporated under the Companies Acts, 1862 to 1890, on the 16th day of December, 1891, and is now governed by a Board of Management, and the Meetings are held on the last Monday in each month.

In addition to the sum expended on furnishing by the Hospital the furniture of the males' large ward was given by the Trades Union and Friendly Societies of Hereford, the males' small ward by the late Mrs. Wood, St. Nicholas Square, Hereford, and Miss Elliott, of Brinsop; the females' large ward by the late Mrs. Bentley, of Commercial Road, Hereford; and the females' small ward by the late Mrs. Meadows, of Aylestone Hill, Hereford. The furniture of the day room was given by the late Lady Cornewall, and a large hall clock was presented through Miss Stanhope, of Byford.

The whole of the encaustic tiles in the corridors were given by Messrs. Godwin and Hewit, of the Victoria Tile Works, Holmer.

In 1897 the Hospital acquired by purchase the land on the east side of it.

In 1898 the "Common Room" was enlarged and a new ward built over the same, the greater portion of the cost being borne by a lady. The Hospital, which is supported by Voluntary Annual Subscriptions and Donations, can now accommodate 20 In-patients instead of 14 as heretofore. The additions were the result of increasing demands, and show the necessity for further and continued support.

In 1913 the house built by the Hospital as a residence for the Honorary Surgeon was completed.

In March, 1922, Mr. Lindsay intimated to the Board of Management his desire to resign his appointment as Hon. Surgeon, as he thought that the time had come, after more than 40 years' service and his age, that a change should be made. He offered to carry on until a successor was appointed. The Board received the resignation of Mr. Lindsay with regret, not only on account of his devoted services as Hon. Surgeon, but also because he was the Founder of the Hospital. Mr. Lindsay finally gave up the appointment in October, 1922, on Mr. H. Woodward Barnes being appointed. Miss Gwilt was appointed Matron in the place of Miss S. C. Lewis, who resigned.

Mr. Barnes was soon afterwards appointed Honorary Ophthalmic Surgeon to the Herefordshire General Hospital, and after consultation with the Board of the General Hospital the two Hospitals worked together in co-operation until March, 1925, when the Representatives of the two Boards again met and further recommendations for continued co-operation were made (and at once adopted by both Boards), including the training of the Nurses of the General Hospital, and payment by the General Hospital for General Hospital In-patients during their residence at the Victoria Eye Hospital.

The name of the Hospital was changed from the Victoria Eye and Ear Hospital (Incorporated), Hereford, to the Victoria Eye Hospital (Hereford), Incorporated, on the 20th day of April, 1923.

In July, 1924, a wireless set, with loud speaker and headphones, was installed at the Hospital, the cost of which was mainly met by private subscriptions. The original set was replaced by a new one, in June of 1928, the cost being again met by private subscriptions.

In March, 1929, owing to ill-health, Colonel M. J. G. Scobie, C.B., D.L., V.D., T.D., relinquished the Chairmanship of the Board of Management, and his Membership of the Board. Colonel Scobie had been the Board's Chairman since the 26th April, 1898, and was appointed Chairman of the Finance Committee so far back as the 27th April, 1888. At the Annual General Meeting of the Members of the Hospital, held on the 11th March, 1929, a Resolution was passed placing on record its appreciation of the services rendered to the Hospital by Colonel Scobie. The Colonel died on the 30th January, 1930.

In 1929, the new block, consisting of Sterilizing Room, Bath Rooms, etc., was completed.

## REPORT

OF THE

# Annual General Meeting

*Held at the Hospital on Monday, the 2nd March, 1931.*

---

The Annual General Meeting of the Governors and Members was held at the Hospital. Present:—THE REV. C. W. DE NORMANVILLE, THE REV. J. MEREDITH, MAJOR E. AMPHLETT CAPEL, M.C., CAPT. ARMITAGE, CAPT. GILBERT, MESSRS. BENN, DAVIES, HEINS, OSBORNE, BENTLEY TAYLOR, V. H. PEMBRIDGE, and W. AINSLIE, with the SECRETARY.

MR. C. A. BENN, the High Sheriff of the County, was elected to the Chair.

APOLOGIES FOR ABSENCE were received from Miss Durrant and the Revd. Frankland Wheeler.

THE MINUTES OF THE LAST MEETING were read and confirmed.

THE AUDITED ACCOUNTS for the past year, together with the following Annual Report of the Board of Management, were laid before the Meeting

The Board have pleasure in giving the following particulars of the work of the Hospital during the year 1930, viz. :—

Number of attendances by Out-patients	...	3680
„ new Out-patients	...	1158
„ In-patients	...	223
„ Operations	...	150

The above details, it is felt, speak highly of the good work which continues to be done by the Hospital.

The accounts, duly audited, will be presented at the Annual General Meeting.

The Income from all sources for the year amounted to £1,361 0s. 9d., whilst the expenditure was £1,374, leaving a balance due to the Bank of £12 19s. 3d. The heaviest item of expenditure has been on the Furniture, Drapery and Repairs Account. This is chiefly accounted for by repairs and re-decorations which were carried out to the Patients' Dining Room, Dispensary, Operating Theatre, and the three wards, in the early part of the year, and by certain replacements of furniture, etc.

By the death of Mrs. J. A. T. Nicholson, J.P., the Board and Hospital have suffered a severe loss, the deceased lady having been a Member of the Board for many years, and a most generous donor to the Hospital.

The Board have thought it well to form a Building, Repairs and Emergency Fund to meet any extraordinary expenditure under this heading, and to which it is proposed to make annual contributions from the General Funds of the Hospital.

The Hospital is indebted to the Governors and Members, and to its many other kind friends, by whose continued support the work of the Hospital, in its particular sphere, is enabled to go forward. A word of thanks should also be added to the Honorary Officers, and to the Staff for their co-operation and good work on the patients' behalf.

(Signed) E. AMPHLETT CAPEL,

*Chairman of the Board of Management.*

ON THE MOTION of Major Capel, seconded by Mr. Heins, the Report and Accounts were adopted.

THE CHAIRMAN PROPOSED and Major Capel seconded, and it was unanimously resolved, that the Right Hon. The Viscount Hereford be elected President for the ensuing year.

THE BOARD OF MANAGEMENT, as at present constituted, was re-elected on the motion of Mr. Ainslie, seconded by Mr. Pembridge.

ON THE MOTION OF MR. OSBORNE, seconded by Mr. Pembridge, Messrs. Thompson & Wood were re-appointed Auditors for the ensuing year.
